SUBJECT: Jobs on Hand 31st August 1952

1. Attached is a copy of List "A" - Jobs on Hand 31st August 1952.

2. This report is forwarded without comment because of my unfamiliarity with the scope and emphasis of the individual jobs. I hope that as time goes on I will be able to elaborate on the report so that ORR will better appreciate the program here as it relates to that in Washington.
